## **TREASURER'S REPORT:**

Alan Binger presented the Treasurer's report. The general fund balance is down from January 1 to \$40,004 due to smaller than normal winter meeting revenues and slow membership renewals. The Operation Evergreen Fund shows a balance of \$7,016 which is considerably lower than one year ago when the balance was approximately \$12,000. The Scholarship Funds have both increased with the endowment now over \$11,000. Memberships are currently at 117 which is behind the 2024 membership total of 142. Roger Koch moved to approve the Treasurer's Report. Jeff Greig seconded the motion. Motion approved.

## **OLD BUSINESS-**

### **Member Signs:**

Gary Hite reported that the new OCTA farm signs are completed and located at his farm. They will be passed out to members at the 2025 summer meeting or 2026 winter meeting. Each farm will receive one sign. They will not be mailed to members.

Additional signs are available. Jeff Greig moved to sell additional signs at a cost of \$15 each. Matthew Perdulla seconded the motion. Motion approved.

## **COMMITTEE REPORTS-**

### **Scholarship Committee:**

Roger Koch reported that seven applications have been received and the committee will meet to choose a winner by the June 1 deadline. The plan is to award one \$1,000 scholarship. In the past few years an anonymous donor has offered to donate money to allow for a second scholarship. There has been no indication that this donor will make this offer for 2025.

**Internet Presence/Social Media Committee:**

The Summer meeting agenda and other summer meeting issues were discussed. The meeting will be held at Kaleidoscope Farms in Hancock County. The Reese family has had significant input on the agenda for the meeting. There is still discussion on whether there will be a children's program.

We will need to find hosts for these sessions.
